Tandil, Bs. As., Argentina
federicopedroroveda@gmail.com

+54 2494 216514

<https://github.com/Federico-Pedro>

I am a responsible and assertive person. I have a particular enthusiasm for being in a constant state of learning, as well as for solving problems and challenges.

I feel very comfortable working both in a team and independently.

My artistic background allows me to bring unique and creative perspectives when approaching a project.

Professional experience

Current - Freelance web developer

2017 - current - Art professor in secondary and tertiary school
